Environment Agency Flood Warnings

FLOOD ALERT

Flooding is possible and you need to be prepared.

FLOOD WARNING

Flooding is expected. Take immediate action and do not wait for a severe flood warning.

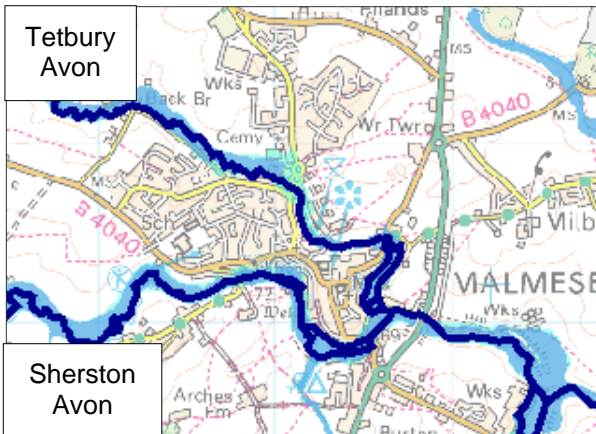

SEVERE FLOOD WARNING

Severe flooding poses a significant threat to life or disruption to communities

- Register with the Environment Agency Floodline Warnings Direct service on 0345 988 1188. After registering you will receive telephone calls (to landline or mobile) to alert you to flood warnings (see above) from river overflow. These warnings will give you time to prepare.

- Calling 0345 988 1188 also allows you to hear flood warnings

even if you have not registered. You can hear warnings for the whole Upper Bristol Avon area (Quick Dial 04423), the Sherston Avon (Quick Dial 164161) and the Tetbury Avon (Quick Dial 164162).
